Chris White, Counselor

Cree Gully, At Risk/Home School Liaison

September 26, 2014

Rock In Prevention was at our building for the third year in a row. We have them teach our students about how to confront bullying. Their lesson is taught with music and songs to help the students remember the message. They interact with our students and bring in local high school students to help mentor throughout the assembly.

Rock In Prevention supplies CD's for all students and classroom follow-up guides to help teachers reinforce the message in the classroom.

Our students enjoy the involvement they have in the assembly.

Sincerely,

*Brian Gravel*

Brian Gravel, Principal
