

# SAINT THERESA CATHOLIC SCHOOL

WHERE FAITH MEETS ACADEMIC EXCELLENCE

5810 CARA CARPENTER AVENUE DES MOINES IOWA 50311 515.277.0178

September 18, 2014

Dear Pat,

I cannot thank you enough for bringing Rock in Prevention to St. Theresa Catholic School! What a fantastic day and a tremendous way to reinforce how we treat others! Your enthusiasm and that of your staff is so welcoming and energizing for the children and staff you interact with!

Todd was an outstanding presenter! His enthusiasm and passion were evident from our first contact with him through the end of the day with students. His rapport with the Dowling Catholic mentors began the day in such a positive way. Todd was quickly able to get all of our K-8 students up, moving, singing and thinking about how we treat each other.

The learning strategies evident throughout the day are the appropriate strategies to keep students engaged and to help them retain the messages of the day. Sending home the CDs to families reinforces and spreads the message that "We don't do that here". Our parents and teachers appreciate the follow up materials.

Your message is so important! By remembering and using what we learned that day we have strengthened our PBIS programming and the children are working very hard to be their best every day! Our children use your phrase, "We don't do that here!" when they need to and it has become very evident that the children believe it when they say it.

Thank you for partnering with us to provide the best in training and resources for our children! Our children deserve the best and they got it with Rock in Prevention!

Thank you so much for what you do for all of our children! Thank you for helping us give our children the tools they need to succeed! Many prayers and blessings to all of you!

With prayers,

Ellen Stemler

Principal
